

I'm not robot

Continue

cannons that will have you dead. At this level, you must drive Sonic to the capsule. Speed Highway - A busy highway in Station Square with robo cops everywhere. At this level, you must drive Dr. Robotnik to missile accommodation in the Cyber Net building. Knuckles' Levels Speed Highway - A busy highway in Station Square where Chaos Emerald shards are hidden. Casinopolis - A casino on Station Square with a golden lion and pirate ship on the top level and a statue of Sonic that Knuckles can knock down while looking for Master Emerald scores. Red Mountain - A volcano in Mystic Ruins with hammers that want to squash you and skulls that shoot fire. The knuckles are looking for Master Emerald scores. Lost World - An ancient ruin in Mystic Ruins that is probably the ancient echidna tribe's temple. The knuckles are a descendant of this tribe who makes it ironic that he is looking for Master Emerald scores there. Sky Deck - A deck on the Egg Carrier where the rest of the Master Emerald score is. Knuckles must turn a switch to open different doors during the search. Amy's Levels Twinkle Park - An amusement park in Station Square with go-karts, roller coasters, swinging ships, bowling and a curry-go-round. At Amy's level, she actually enters the castle filled with corridors of mirrors and trapdoors. Has three segments. Hot Shelter - A shelter in egg carrier with many gears, switches, a TV room, and even an aquarium. Has two segments. Final Egg - A base in Mystic Ruins where Egg Carrier is usually docked. To get to the level, Amy must complete a little puzzle. Then the level begins with crushing barbed balls, lasers, an elevator and a puzzle that is completely random. Has one segment. Big's Levels Twinkle Park - An amusement park in Station Square. Big fish in the pond under swinging ships. Icecap - A cave in Mystic Ruins. Great need to use stones to break the ice so that he can fish in the water below. Emerald Coast - A beach at Station Square. The dead spots in the water have been removed and are now open for fishing. There is even a hidden cave where large can get some special catches. Hot Shelter - A shelter in Egg Carrier with an aquarium that Froggy is kept in. But Big hits drainage sitch so he can fish for him. E-102 Gamma's Levels Final Egg - A base in Mystic Ruins where egg carrier is usually docked. E-102 Gamma train here shooting various tails and knuckles dolls. Finally, the E-102 Gamma Sonic destroys the doll (3 hits). Emerald Coast - A beach at Station Square with many beach chairs and piers. E-102 Gamma finds Froggy here. Windy Valley - A valley in Mystic Ruins with lots of greenery and trampolines. Here destroys the E-102 Gamma E-103 Delta. Red Mountain - A volcano in Ruins with strange prison cells, spiders and rising lava. Here, the E-102 destroys the Gamma E-104 Epsilon. Hot Shelter - A shelter in Egg Carrier with many cops and a monorail system. Here, the E-102 destroys the Gamma E-105 Zeta (nklit). Super Sonic's Level Perfect Chaos - A boss battle with Perfect Chaos in Station Square. Has two segments. It's also the only level available in Super Sonic's history. Mini-Game Levels Sky Chase - A mini-game available with Sonic and Tails. It has two actions and is usable with Tornado and Tornado 2. Hedgehog Hammer - A mini-game available only by Amy. It's similar to whack-a-mole. Twinkle Circuit - A mini-game available by each character (barring Super Sonic). It's a go-kart racing game and you have to go through 3 laps. Boss - A minigame level available by each character (barring Super Sonic). In this mini-game, you have to fight every boss battle in each character's story in sequence. Sand Hill - A sandboarding/skateboarding mini-game available by Sonic, Metal Sonic and Tails. In this mini game, you have to go down a sandy hill while going through as many rings as possible. It is required during Tail's story as he tries to catch Froggy who has a Chaos Emerald. Sonic the Hedgehog Pocket Adventure Sonic Shuffle Emerald Coast Fire Bird Nature Zone Riot Train 4th Dimension Space Sonic Adventure 2 / Sonic Adventure 2: Battle Hero Story Dark Story Last Story Cannon's Core (Tails, Eggman, Blusher, Knuckles and Sonic) 2P Mode Exclusive Stages Action Race Treasure Hunt Race Shooting Battle Kart Race Tracks Sonic Advance / Sonic N Sonic Advance 2 Sonic Pinball Party Sonic Battle Sonic Heroes Multiplayer-Only Stages Battle Mode City Top Casino Ring Turtle Shell Ring Race Mode Egg Treat Pinball Match Hot Elevator Bobsled Race Mode Seaside Course City Course Casino Course Quick Race Mode Road Rock Mad Express Terror Hall Sonic Advance 3 Sonic Jump Shadow the Hedgehog Stage 1 Stage 2 Digital Circuit Glyphic Canyon Deadly Highway Stage 3 Cryptic Castle Prison Island Circus Park Stage 4 Central City The Doom Sky Troops Mad Matrix Death Ruins Stage 5 ARK Air Iron Jungle Space Gadget Lost Impact Stage 6 GUN Black Fortress Cosmic Fall Final Haunt Last Story Sonic Rush Sonic Riders Heroes Cup Metal City Splash Canyon Egg Factory Green Cave Sand Ruins Babylon Garden Babylon Cup Unlockable tracks Digital Dimension Sega Carnival Sega Illusion Survival courses Dual Towers Snow Valley Space Theater Sonic the Hedgehog (2006) Wave Ocean - A beach in Soleanna, home to marine life and animals, including killer whales chasing Sonic. Dusty Desert - A sand desert, filled with ruins and dangerous quicksand, which you can sink into if not gently. White Acropolis - Dr. Eggman's snowy base, guarded by spotlights and robots. Snowballs can also become a threat as well. Crisis City - The ruins of a city, 200 years into the future. Filled with fire and lava, Iblis' minions live in here with Silver and Blaze. Kjeem - A A 200 years into the future, filled up with dangerous lava and rocks that can break and rock the foothold for Sonic to go over. Radical Train - An abandoned train station, where Sonic must prevent a train from being bombed while trying to save Elise. Tropical Jungle - A jungle filled with ruins, beautiful scenery, tropical animals and Eggman's robots on the hunt. Kingdom Valley - A castle that has been abandoned and had been flooded, where towers and other structures could fall down at any time because of the water. Aquatic Base - An abandoned base under the water in Kingdom Valley, where Eggman uses it for a station for Egg Carrier. End of the World - All levels (expect Radical Train and Aquatic Base) combined to create a big scene, where Sonic's friends collect Chaos Emeralds while avoiding time gaps and saving Sonic.
